## DEBIT CARD Notice

You have the right to tell us NOT to pay overdrafts for debit card purchases you make at a store, online, or by telephone. If you do, we will decline these transactions if you do not have enough money in your account to cover them. As a result, you may pay fewer overdraft fees.

To opt out of our overdraft coverage or for information about alternatives we offer for covering overdrafts (including linking this account to another account with us), please contact us at 906-786-0888. Thank you for your understanding.

You can now use your Visa Platinum or Platinum Rewards credit card with Apple Pay at Northern United Federal Credit Union.. Once you're enrolled in Apple Pay, you can make purchases and check out with the simple touch of a finger. Use Apply Pay in apps with your iPhone 6, at hundreds of thousands of stores nationwide. If you do not have an iPhone, don't worry. We also offer Android and Samsung Pay!

## Identity Theft

We place several articles in our newsletter regarding identity theft since it is so prevalent in today's world.

Traditional identity theft tactics include:

Mail theft

Dumpster diving— be sure to shred all documents containing personal information, financial information or unsolicited credit card offers. Use of a cross cut shredder is suggested.

Shoulder surfing— observing your actions or eavesdropping to steal your personal information. Shield your use of any pin pad for debit or credit transactions.

Purse or wallet snatching.

Be diligent, keep important phone numbers somewhere other than your purse or wallet, and be sure to notify us if you experience any identity theft.
