

Nominating Committee ...

The nominating committee is seeking volunteers to run for the position of Board of Director for the 2019 term. It is the duty of the nominating committee to nominate at least one member for each vacancy. This is done in accordance to our Federal Credit Union bylaws.

If you are interested in being a nominee please submit a brief statement of qualifications and biography to the nominating committee. Election will be held during the annual meeting.

In accordance with our federal credit union bylaws, an election will not be conducted when there is only one nominee for each position to be filled.

If you are interested, please contact Megan at 906-786-0888.

Computer Chips on your ATM, DEBIT and CREDIT Cards

That new Computer Chip in your card makes it a smart card, since it employs microchip technology. The purpose is to make your in person transactions safer than before.

Northern United FCU has invested in Chip technology to help your in person transactions become safe, and secure. The chip will provide a unique code, and the code will be different each time the card is used, to eliminate anyone accessing your personal information.

We would also like to caution you, while the smart card works fantastic for in person transactions, it does not offer the same safety and security for an online retail transaction, so exercise personal safety, do not let anyone else use your card, check your statements regularly, and if you suspect fraud, contact the credit union as soon as possible.

International Credit Union Day

On Oct. 18, 2018, credit union members around the world will celebrate International Credit Union Day®, an annual event to commemorate the credit union movement's impact and achievements.

Credit unions are not-for-profit financial cooperatives that provide an effective and viable alternative to for-profit financial institution. Credit unions exist to serve their members, providing a safe place to save money and access affordable loans.
